## TESTIMONIALS

"The facility has worked out for us wonderfully the last couple of years that we have rented it. It is always very clean and set up nicely and the staff is very friendly and helpful when we have had to utilize them. The cost has also been reasonable compared to other rented facilities." -**Kristen Keller, Tradesmen Community Credit Union**

"Birthdays by Mandy has co-hosted 100 parties at the Animal Rescue League's Main Shelter and each one has been a success. The staff is very accommodating and easy to work with; and the rooms we use for the parties are perfect for the occasions. Kids and adults alike feel comfortable in the space. They are happy to be there and happy to help the animals in this unique way." -**Mandy Julson, Birthdays By Mandy**
