

Donation Bank Assistant

Overview:

Join us as a Donation Bank Assistant and help drive our fundraising efforts within the community. Your role involves identifying new locations for donation banks and collecting funds to support our shelter's mission.

Responsibilities:

- Identify and secure new locations in the community for placing donation banks, including local businesses.
- Regularly collect monetary contributions from established donation bank locations and transport them securely to the shelter.
- Act as a friendly and professional representative of the Animal Rescue League while engaging with the community.

Requirements:

- Access to transportation for traveling within the community.
- Willingness to travel to collect from various locations.
- Be 18 or older due to cash handling responsibilities.

Training:

To train, you will spend 2 hours shadowing an experienced Donation Bank volunteer to ensure you're well-prepared for the role.

Benefits:

By volunteering, you directly contribute to our mission of supporting animals in need and gain valuable experience in fundraising and community engagement.
