

## Participating Area Veterinarians

Updated 2/2/18

The following veterinarians offer a free health exam within 3 business days of adoption. An appointment is necessary and this health examination is required. Additional vaccinations/proper veterinary care are required by the contract you have signed and are the responsibility of all pet owners. Please bring pet adoption documents to your vet. **Bold listings indicate ARL Adoption Partner Locations.**

If your pet is showing signs of a shelter-related illness **within 14 days** of your adoption, call 515-262-9503 to make an appointment for your pet to be seen by the ARL medical staff. **We cannot reimburse medical expenses if you seek outside treatment.**
